Daniel D. Hauser

August 26, 1986 - August 29, 2021

Daniel Hauser, also known to his friends as Squirrel or Squirrelly Dan, was a quiet man with a big heart. He left a lasting impression on everyone he met and was loved by many. He was always there to lend a helping hand whenever he was needed.

He loved to ride motorcycles and his Harley-Davidson Night Train was his prized possession. His other favorite past times were hunting and playing cribbage. Dan had a great sense of humor and was always cracking jokes or telling stories. He was an animal lover and always had to have a cat or dog around to snuggle up with while he was watching TV or napping on the couch.

Dan joined the US Marine Corp. in 2007 and spent two years stationed in Okinawa, Japan. In 2010 he did a tour of duty in Afghanistan before being discharged in 2011. He proudly served his country and often spoke about his adventures in the service and the many close friends that he made along the way. Semper Fi!

Dan was a handyman by trade and loved to tinker and build things. Anyone who knew Dan knows that his favorite “tools” were duct tape, hot glue and cable ties and his tool box was always well stocked.

Dan is preceded in death by his Grandparents Peter and Helen Grad and Marlene Hauser and cousin Thomas Grad. He is survived by his parents Darwin and Helen Hauser, brother Derrick and sister-in-law Rose Hauser, special loved one – Christina Sundberg, along with many uncles, aunts and cousins.

Dan will be greatly missed by so many people but those of us who had him in our lives know how lucky we truly were. May he rest in peace.
