Age 69, of Minnetonka passed away peacefully on December 13, 2021.

Preceded in death by parents, Denton & Barbara Mork.

Julie was a 1970 graduate of Centennial High School. She went on to get her nursing degree at North Hennepin Community College. Much of her career was spent in long term care. She prided herself in providing competent and compassionate care while advocating for the elderly.

Julie was a loving mother and friend that raised her children to understand the value of

family, strength, perseverance, and cleanliness. Julie’s greatest advice to her children was, you can do anything you put your mind to, rest if you must, but never give up. Julie cherished her grandchildren the most. She supported them in their academics, sports, and in everyday life. They know when they needed Grandma Julie, she was just a phone call away.

Julie enjoyed beautiful flowers and her annual spring trip to the nursery. She loved to cook and host, especially at the holidays. One of her greatest joys was giving to her family and friends. Julie put great thought into finding the most meaningful gifts and if it could be personalized, it was.

Julie will be missed deeply, but we will carry her memory in our hearts.
