In lieu of flowers....

Liv was Ryan's best friend, protector, and advocate. She loved Ryan more than anything in this world. She envisioned them always being deeply a part of each other's lives, living life and growing together. She would have loved nothing more than any generosity towards her to be directed to benefit her brother in any way possible. So please direct any monetary donations to Ryan J. Campbell, to support him as he moves forward in his life.
