Darrell Charles Niemann

June 14, 1955 – April 27, 2025 | Age 69

Darrell Charles Niemann passed away peacefully on April 27, 2025, with the same quiet determination that guided him through life. Darrell was a proud jack-of-all-trades who believed that honest work, a loving family, and a well-stocked toolbox could solve almost anything.

On a work trip, Darrell met the love of his life, Brenda. Never apart, together they built a family and ran B&R, a family business where customers often became friends and where his children learned the rewards of rolling up their sleeves. Whether coaxing a lawn-mower back to life, or coaching a pee-wee team on Saturday morning, Darrell’s true gift was making people feel they mattered.

Away from the shop he loved sleeping in, backyard barbecues by the pool, and whatever the latest video game was. His life was one of respect, and his advice was straight and

simple.

Darrell is reunited with his wife Brenda, and his son Dan. He is survived by his daughter Nichole; sons Douglas and Derrick; cherished granddaughter Hailey; and sisters Diana, Linda, and Karen, who will miss his good-natured teasing and loyal heart.

Darrell knew so many people, and the family is asking everyone to celebrate him in their own way. In lieu of flowers, please consider a donation to a favorite charity or spend an afternoon helping a neighbor—Darrell would have liked that. Tighten a bolt, share a story, and think of him.
