Devin Egge

October 4, 1993 - February 16, 2016

Egge, Devin Allen

Age 22, of Champlin, MN was unexpectedly taken from us on 2/16/16. Too young, too soon. We know he had many plans for the future and was looking forward to life. Devin's caring and giving nature, gentle demeanor, sense of humor, his need and want to make everyone happy will be missed by us all. He gave the BEST hugs! He was very talented artistically and musically. His love of music was very contagious. He had a song for everything, knew all the latest music and loved to share his knowledge of it all. He was our "Shooting Star", now our Angel. Devin leaves behind his parents, Cheryl and David Egge; brother, Brandon; grandparents, John & Wendy Buczynski, Tina & Len Shea, and Larry & Julie Egge; with aunts, uncles, cousins and friends abound. Preceded in death by his grandmother, Norma Gallien Egge. Devin didn't realize how dearly he was loved by all and will be missed sooooo much! Our hearts are broken without you here with us Devin.
